Not Approved.....	0	Average Daily Ridership 2003-04	74
High School Diplomas Regular.....	13	District Owned Operation	
Other Completions*	0	* Certificates of Completion issued by the district	
Graduation Completion Rate...	100%	** Limited English Proficient (LEP)	

Highlights

This has been a year of change at our K-12 school with a new principal.

Elementary grades took on the challenge to improve attendance. Their efforts resulted in higher funding and more learning. Their success was acknowledged with monthly 100% attendance awards for individuals and a pizza party for rooms with a perfect month of attendance

The boy's basketball, girl's basketball and football teams had a very successful year with all three making it to state competition. One young man was selected State Football Defensive Player of the Year.

And we made AYP again.

Progress Towards Meeting Goals

2004-05 Goals	Progress
Provide a smooth transition with a new principal	The transition went well with the retiring principal offering support for the new one. Staff has been very positive toward the change.
Make growth and make AYP	Student growth was encouraging and the K12 school made AYP. Students are beginning to take responsibility for their own growth.
Every child a reader by the 3 rd grade	This is an ongoing challenge especially with the high turnover rate we have in the lower grades. What is most encouraging is that no matter where a student is in their reading when they arrive, we have been able to help them grow significantly by the end of the year.
Make us of the IDLA in high school	Several students were interested and began some classes. Unfortunately we had poor and disrupted internet service most of the year.
Improve internet service	After a year of aggravation it seems we finally have an internet service that will be dependable and meet our current needs.
Improve attendance to increase funding	The elementary students and teachers took up this challenge and raised attendance (ADA) to a level which made us eligible for more funding.
Make more effective use of instructional time.	A second noon bus route increased kindergarten in class time by an hour. A block schedule in high school increased class time.

Note: Rank represents how this district compares to the other public school districts in the State of Idaho; high to low (1 being the highest).

Adequate Yearly Progress and Assessment 2004-05

Did Richfield District make Adequate yearly progress for 2004-05? Yes

Percent of the 41 targets that Richfield District made: 100%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.

More Information is available at: <http://www.sde.state.id.us/admin/ayp05/default.asp>

To Protect the privacy of individual students the following symbols are used.

^ No participation determinations are made for groups of less than 10 students. The participation rate of students in this group is included in district and state totals.

~ No proficiency determinations are made for groups of less than 34 students. The proficiency level of students in this group is included in district and state totals
